

The lab

Our lab is located at the Charite, Berlin in the [CrossOver Building](#). We are part of the [Institute of Integrative Neuroanatomy](#) and member of the [NeuroCure Cluster](#), the Bernstein Center for Computational Neuroscience Berlin ([BCCN Berlin](#)) and the Research Training Group “Sensory Computation in Neural Systems” ([GRK 1589](#)).

The team

Imre Vida
M.D., Ph.D., PI
 ORCID

Sabine GROSSER
Ph.D., Assistant professor

Agnieszka Münster-Wandowski
Ph.D., Assistant professor

Paul Turko
Ph.D., Research fellow

Federico Jose Barreda Tomas
Ph.D. student

Alix Guinet
Ph.D. student

Zhengzheng He
Ph.D. student

Rita Loureiro
Ph.D. student

Alicja Melchior
Secretary

[Linda Brenndörfer](#)
MTA

[Heike Heilmann](#)
MTA

[Ina Wolter](#)
MTA

Felix Bolduan, Medical Student
Claudius Erwin Degro, Medical Student
Clara Sophie Pohl, Dentist
Leo Fabig, Medical Student

Former lab members

[Anja Matthiae, Ph.D.](#)

[Sam Booker, Ph.D.](#)

Maria Pangalos, Ph.D.

Song Jie, M.A.

Ferdinand Browa, M.A.

Marta Nabias, M.A.

Labs and Equipment

Electrophysiology

Histology and light microscopy

Cell culture lab

[Electron microscopy](#)

... and a piece of lab history

[The lab moved to the Charité, Berlin from the University of Glasgow in 2011.](#)

Glasgow University main building complex with the University Tower on Gilmorehill viewed from the south. The West Medical Building can be seen slightly below to the left.
